ICM : Activités

- ❑ Mobilité de courte durée dans l'enseignement supérieur pour les étudiants, le personnel académique et administratif (l'étudiant effectue une partie de ces études (2 à 12 mois) dans un autre établissement d'enseignement supérieur situé ailleurs en Europe)
- ❑ Après la phase de mobilité, l'étudiant retourne dans établissement d'origine pour y achever ses études
- ❑ Tous les niveaux : candidats au licence, à la maîtrise, au doctorat et post-doctorat,
- ❑ Mobilité dans n'importe quel sujet ou discipline académique

Objectifs du ICM

- **Les mobilités dans le domaine de l'Enseignement supérieur permettent :**
 - d'exposer les étudiants à d'autres méthodes d'enseignement et de recherche et pratiques professionnelles dans leur domaine d'études dans le contexte **européen et international**;
 - de permettre aux étudiants de développer leurs **compétences transversales**, telles que les capacités de communication, la maîtrise de la langue, l'esprit critique, les compétences interculturelles et les compétences en matière de recherche;
 - de permettre aux étudiants de développer leurs compétences d'avenir, telles que les **compétences numériques et vertes**, qui leur permettront de relever les défis d'aujourd'hui et de demain;
 - de faciliter le **développement personnel**, comme la capacité à s'adapter à de nouvelles situations et la confiance en soi.

Funded by
the European Union

Types de mobilité étudiant :

- **Une période d'études à l'étranger** qui fait partie intégrante du programme d'étude.
Cette période peut inclure une **période de Stage: séjour Hybride**.
- **Un stage à l'étranger:** dans une entreprise, un institut de recherche,
- **Mobilité doctorale:** pour les doctorants et post-doctorants (**1ère année**)
- **Mobilité hybride:** désigne une **mobilité physique** combinée à une composante virtuelle

applications!!!)

4. The study program is in English language. Therefore, a TOEFL PBT certificate (minimum 500 points, paper-based), or equivalent, is required. Equivalent can be the TOEFL computer-based (CBT) or TOEFL (iBT), a certificate from other recognised institutions such as IELTS (academics) or Cambridge FCE, a previous Bachelors or Masters program entirely taught in English (to be documented), or English as mother tongue.

Equivalents to TOEFL 500 paper-based are, e.g.,

- TOEFL computer-based (CBT) 173
- TOEFL internet-based (iBT) 61
- IELTS (academic) 6
- Cambridge FCE

If no English test is available, the Selection Committee might accept to test the English language skills in a personal interview.

5. Students will have to apply in full compliance to the admission procedure published at mastergeotech.info. Required documents are:

- Online application form (see online application system)
- Bachelor diploma AND the transcript of records in the original language ([certified copy](#))
- If the Bachelor documents are not in English, Spanish, Portuguese, German or French, please also provide an officially translated version in English, Spanish, Portuguese, German, or French ([certified copy](#))
- If applicable: Master diploma AND the transcript of records in the original language ([certified copy](#))
- If applicable: If the Master documents are not in English, Spanish, Portuguese, German or French, please also provide an officially translated version in English, Spanish, Portuguese, German, or French ([certified copy](#))
- If applicable: English test, see above
- European format CV (see [template](#)) – especially for the last 5.5 years, the CV has to list all activities and dates in terms of month/year without any gaps!!!! Gaps in the CV might lead uneligibility of an application. All activities and dates of at least for the last 5.5 years have to be proven by corresponding documents/confirmations.
