Pourquoi créer un PIC number?

- ☐ Code d'identification du participant à **9 chiffres (PIC)**
- ☐ Le PIC n'a pas besoin d'être validé pour la soumission de proposition du projet. **La validation est requise pour la signature de la convention de subvention.**
- ☐ **Si votre proposition est retenue**, vous recevrez une notification et serez invité à:
 - fournir des pièces justificatives pour confirmer les informations administratives et juridiques déclarées lors de l'enregistrement (validation de l'entité juridique)
 - nommer un représentant désigné de l'entité légale (nomination du LEAR)
 - fournir des pièces justificatives pour vérifier la capacité financière de votre organisation (évaluation de la capacité financière, le cas échéant)
 - valider le compte bancaire pour les paiements (validation du compte bancaire, uniquement pour les coordinateurs).

Description

"Casa della Città Leopolda" is a second-level non profit association founded in 1999 to manage a cultural centre set up in an ancient railway station built in 1844. The "Leopolda" Station has been recovered in 2002 thanks to a European funding. It includes an exhibition hall, a conference room, a multimedia centre, a theatre room, a residence for students and an inner square. "Casa della Città Leopolda" promotes multilevel events, cultural projects and leisure activities organized by the membership associations. We are well experienced in the implementation of European projects and our main areas of activities are music, performing arts (theatre, dance, circus), clown therapy.

Summary

CoVEs are becoming key catalyst for the EU VET policy. In the furniture and wood (F&W) sector the EU VET schools base their activity in effective workshops for skilling students with “traditional methods” of wood working and furniture manufacturing. Nevertheless, there is a lack of training in many topics linked to innovation and societal and environmental challenges. Moreover, workers and students are running out of those new skills while on the other hand, some enterprises are performing excellent work in digitalization, green business models and social integration. Other enterprises are having difficulties to incorporate new workforce with skills related with Ambient Assisted Living (AAL), Industry 4.0 or Circular Economy. Work-based
