CREATING OPPORTUNITIES FOR TUNISIA ACROSS EUROPE

Editorial

The 3rd Call for Proposals under the Intra-Africa Academic Mobility Scheme was published in the EU Official Journal (C 91/2) and [EACEA's website](#).

The Intra-Africa Academic Mobility Scheme, a partnership project between the African Union and the European Union, is being implemented under the auspices of the Pan-African Programme (PanAf) created in 2014 as one of the instruments to support the Joint Africa-EU Strategy (JAES) adopted at the Lisbon Summit in December 2007.

Eligible partnerships must be constituted of a minimum of four (4) HEIs (including the lead applicant) from Africa and one technical partner from an EU member state. The maximum size of the partnership is limited to six (6) HEIs (including the lead applicant) from Africa and one technical partner from an EU member state. HEIs from a minimum of three (3) African regions (African Union classification) must participate in any partnership.

The deadline for this call is **12/06/2019 @ 12h00**, Brussels time. Please, read the [Call for Proposal Guidelines](#). More details about the call are in https://eacea.ec.europa.eu/intra-africa/beneficiaries-space/intra-africa-academic-mobility-scheme-2019_en

Extension deadline - FREE Access to IEEE English for Engineering courses and Certificates

Dear Students,

Please note that IEEE extended the deadline for the FREE access to the IEEE technical English courses (to all students in Tunisia). The new deadline to follow the FREE courses and to receive the certificates is **31 May 2019** for the current students as well all new students who will join IEEE by **31 march 2019**.

The complimentary access includes 12 courses that cover core English language competencies:

1. Speaking in technical English
2. Listening and comprehension
3. Technical writing
4. Reading and understanding technical publications

[Access the Courses Now](#)

In this dynamic online learning environment, you can take lessons individually in any order and at introductory, intermediate and advanced levels. Visual elements will guide you through skill areas and provide instant feedback on your progress.

You must sign in with your IEEE Account in order to access the courses. For detailed instructions on accessing the course and obtaining credit for completion please refer to the [IEEE English for Engineering tip sheet](#).

Notes:

- if you are new student member, please wait up to 2 weeks until the platform will be updated with your membership.
- if you didn't yet renewed your IEEE membership, don't hesitate to contact us. www.ieee.tn/join
